**Notice & Hearing Process — Appeal to Electors to Submit Required Documents**

The Special Intensive Revision (SIR) of Electoral Rolls, 2026, in East Jaintia Hills District has progressed further in the Notice and Hearing stage, with continued efforts by the District Election Administration to complete verification and disposal of cases in accordance with the prescribed procedure.

As on 1st October, 2026, a total of 28,673 notices have been generated across the district. Of these, 28,643 notices have been delivered, leaving 30 notices pending for delivery. Hearings have been completed and documents uploaded in 23,891 cases.

At the same time, 4,781 cases remain pending due to absence of document(s) or other reasons. This represents a reduction of 1,111 pending cases from the position reported on 22nd September 2026.

**APPEAL TO ELECTORS**

The District Election Officer, East Jaintia Hills, makes an earnest appeal to all electors whose cases remain pending for want of documents to come forward without further delay and produce the required documents before the concerned election authorities.

Electors who have received a notice are requested to contact their respective Booth Level Officer (BLO), Electoral Registration Officer (ERO), or the concerned election office and extend their full cooperation in the hearing and verification process.

A case pending for want of documents should not, by itself, be construed as a finding of ineligibility. Such cases require further examination and disposal in accordance with the prescribed procedure. The latest report separately records 29 cases as found ineligible for final, distinct from the cases pending for documents or other reasons.
