

PRESS RELEASE

Ampati gears up to host "Mi Kari" Festival on Feb 13, 14

Ampati, January 28, 2026: The District Administration, South West Garo Hills, in collaboration with the Tourism Department and the Arts & Culture Department, is all set to host a vibrant two-day Winter Festival - "Mi Kari" - at Students' Field, Ampati, on February 13 and 14, 2026.

Conceived as a celebration of the region's rich cultural heritage and community spirit, Mi Kari will bring together tradition, creativity, and festive joy under one platform. The festival will feature a colourful array of events including Indigenous Games, Traditional Cooking Competition, Photography and Painting Competitions, Flower Show, Healthy Baby Show, and Talent Show, among many others—ensuring engaging experiences for all age groups.

Adding to the festive charm, the evenings will come alive with music and entertainment. Audiences can look forward to captivating performances by local artistes under the Meghalaya Grassroots Music Programme (MGMP), along with music concerts on both days featuring well-known bands and artistes from the region, promising an electrifying atmosphere and memorable winter evenings.

The festival will also provide a strong platform for livelihood promotion and local entrepreneurship. Stalls set up by various government departments and agencies will showcase products crafted by local farmers, artisans, self-help groups, and entrepreneurs.

Mi Kari aims to strengthen cultural pride, promote tourism, and create a joyful space for community bonding. The District Administration invites citizens and visitors alike to be part of this unique winter celebration and experience the colours, sounds, and flavours of South West Garo Hills.
