AGENDA

- Tender for supply, installation, commissioning and maintenance of e-Point of Sale (ePoS) devices had been floated on 31st July 2018.
- Bids were opened on 10th September 2018 at 2 PM in the presence of representatives of NIC, Law, Finance and IT Department
- Based on the need to thoroughly evaluate the technical details submitted by the bidders, another Technical Evaluation Committee meeting was held on 24th September 2018 at the office chamber of the Director, Food Civil Supplies & Consumer Affairs, Shillong along with representatives of NIC and Information Technology & Communication Department. The following points were noted in the meeting (bidder-wise):

➤ **QUICKPAY PVT LTD:**

After a detailed and thorough examination, the committee found that QUICKPAY had submitted a different device model (HI98) manufactured by Hisense (China) at the time of submission of device and proposed a different device model (KS8223) manufactured by SZZT Electronics Co. Ltd. at the RFP. The Committee found that there are some issues with their POS devices with regards to the technical specification as specified at the RFP which is mandatory to be fulfilled, like the Operating System is not hardened as claimed by the bidder at the technical demonstration which was held on 19th September 2018. The device has only one SIM slot and one SAM slot instead of two SIM slots specified in the RFP. The STQC certificate of Finger Print device submitted by the bidder is expired. STQC certificate of IRIS Scanner was not submitted by the bidder. No certificate of R.D 2.0 UIDAI compliance is found in the proposal of the bidder. IP 51 certificate was not submitted as mandated as per the technical specification of the RFP. The bidder did not submit the Technical Presentation, Helpdesk Solution, Proposed Application for the ePoS and Software Integration Methodology, Manpower Deployment Plan, Implementation Plan & Methodology, Support & Maintenance and Training Plan as mentioned at the scoresheet of the RFP. The POS devices submitted by the bidder is an android based device which Apps can be install/uninstall at any given time. Data stored on the devices can be cleared easily which can be manipulated. In view of the above, the members of the Evaluation Committee are of the opinion that the vendor is not technically qualified.

➤ **INTEGRA MICRO SYSTEM (P) LTD:**

The Committee examined the Tender Documents of Integra Micro System exhaustively and found that the firm has fulfilled and submitted all the required documents as mentioned in the RFP. They have submitted an E.M.D. of Rs. 1.5 crores (vide DD.NO.878413 dated 10/9/2018) and Rs. 20,000 (DD No. 878187 dated. 7/9/2018) for Tender Fees. The Bidder was found that he did not submit the Support and Maintenance plan as mentioned at the scoresheet of the RFP. The Vendor has submitted their previous experience in PDS domain with other States along with Satisfaction Certificates from other states in the country.

➤ **LINKWELL TELE SYSTEM PVT LTD**

The Committee examined and found that LINKWELL TELE SYSTEM PVT LTD and found that the firm has fulfilled and submitted all the required documents as mentioned in the RFP. They have submitted an E.M.D. of Rs. 1.5 crores (vide DD.NO. 320433 dated 6/9/2018) and Rs. 20,000 (DD No. 320434 dated 6/9/2018) for Tender Fees. The Vendor is doing a pilot project of FPS Automation with 10 devices for the state of Meghalaya. The Vendor has also submitted his previous experience in PDS domain in other States along with satisfaction Certificates from these States.

**MINUTES OF TENDER COMMITTEE MEETING FOR SUPPLY
OF POS DEVICES UNDER FPS AUTOMATION HELD ON THE 19TH SEPT 2018
AT 2 PM IN THE CONFERENCE ROOM NO. III, ADDITIONAL
SECRETARIAT BUILDING, MEGHALAYA, SHILLONG.**

Members present : Annexure I

The meeting was chaired by Shri C.P. Gotmare, Director, Food Civil Supplies & Consumer Affairs, Shillong. At the outset the Chairman welcomed all the members present in the meeting and briefed about the purpose of the Meeting.

The points discussed during the meeting are stated below:

The Tender Committee decided to let the Bidders present their technical demonstration which involves the complete transaction time and Aadhaar Authentication. The evaluation of documents submitted and technical evaluation would be done by the Project Management Unit (PMU), Food Civil Supplies & Consumer Affairs.

- The first demonstration was given by QUICKPAY who finished his Demonstration process of complete transaction of e-PoS in 1:08 Minute. However, it was found that the device has slot for only one SIM Card and they could not provide a demonstration on Aadhaar authentication citing lack of data for the same. The Firm has not submitted the EMD for the purpose, claiming exemption being a start up entity..
- The Second Vendor, INTEGRA MICRO SYSTEM finishes 01:39:81 seconds for the process of transaction of e-PoS. and 00:13:08 seconds on Aadhaar Authentication. The device has dual SIM Card with Aadhaar based experience from Andhra Pradesh. The firm has submitted a 1.5 crore DD for EMD.
- The Third Vendor, LINKWELL TELE SYSTEM PVT LTD finishes the AADHAAR authentication in 11 Seconds and 0:53 min for the process of transaction of e-PoS. The device has dual SIM Card with Aadhaar based experience in Meghalaya. The firm has submitted a 1.5 crore DD for EMD.
- The Chairman declares that the Opening for Financial Bid will be held on the 3rd October 2018 at 2PM in the same venue.

The meeting ended with a vote of thanks from the Chair.
