

HANDBOOK UNDER THE RIGHT TO INFORMATION ACT 2005

CHAPTER – 1

1. This Hand Book has been prepared as required under Section 4 (1) (b) Chapter II of the Right to Information Act 2005 to provide information to the public relating to the Department of Legal Metrology.
2. This Hand Book will serve as a guide to the Public regarding the Organisation, Powers, functions, duties and responsibilities etc of the Department of Legal Metrology.
3. Public may contact the Officers who has been notified as PIOS and APIO for seeking any information relating to the Department of Legal Metrology.

CHAPTER – 2 (Manual I)

Particulars of Organization, Functions and Duties.

- 2.1 **Objective/Purpose of the Public Authority** - The main objective of the Department of Legal Metrology is to maintain uniformity and accuracy in all weights & measures, weighing and measuring instruments used by traders in all hats, markets and trading establishments and to regulate the packaged commodities in the State as provided in the Legal Metrology Act/Rules.
- 2.2 **Mission/Vision Statement of the Public Authority** – The Legal Metrology Department aims to eliminate the use of illegal non-standards and mal practices in weights & measures. To check the mandatory declaration as prescribed under the Rules, determine the net weight of Packaged Commodities in the premises of the Manufacturer, Packers and to check that the price of packaged commodities offered by the traders shall not exceed than the price printed in the packaged in order to protect the Consumers from being cheated by unscrupulous traders.
- 2.3 **Brief history of the Public Authority and context of its formation** – The Legal Metrology Department started since the year 1972, the year in which the State obtained its Statehood. The Authority is under the control of Legal Metrology Department at the Secretariat level. Besides the office of the Controller of Legal Metrology at the Directorate level, the Department has two Zonal offices headed by the Asstt. Controller of Legal Metrology at Shillong and Tura and the Inspectorate Offices in all the Districts and one in Sohra Civil Sub-Division.
- 2.4 **Duties of the Public Authority** – To supervise the work of all the Zonal Officers and the Inspectors, in enforcing the Legal Metrology Act/Rules.
- 2.5 (i) **Main activities/functions of the Public Authority** – The main activities of the Public Authority are to ensure that all consumers in the State are getting correct weights and measures in any transaction.
- 2.5 (ii) The main functions of the Legal Metrology Department is to enforce and implement the various provisions of the Legal Metrology Act / Rules. Verification and Periodical re-verification and stamping of all weights & measures used in any commercial transaction or protection was undertaken as prescribed under the Rules. Frequent surprise inspection, raids and seizure are being undertaken to check the use of illegal non-standard, unverified weights and measures, mal-practices in weights and measures, declaration in packaged commodities and to check that the price of packaged commodities shall not exceed than the MRP. Any violation detected, legal proceeding was taken against the offenders as per the Legal Metrology Acts & Rules.
- 2.6 **List of Services being provided by the Public Authority with a brief write up on them** – The Department issued Verification Certificate to the users of weights and measures, Manufacturer, Repairer and Dealer Licence in weights and measures and Registration of Manufacturer, Packer and Importer in Packaged Commodities. Frequent Surprise inspection is conducted by the Inspectors to all the business establishment, trading centres, permanent & weekly markets within their limit of jurisdiction to safeguard the interest of the consumers.

2.8 **Expectation of the Public Authority from the Public for enhancing its effectiveness and efficiency** –The Department has made publicity by distributing pamphlets and advertisement through print and electronic media to educate the consumers in particular and the public in general relating to the Legal Metrology Act & Rules. The Department encourage the consumers to lodge a complaint in the Directorate, Zonal and Inspectorate Office by writing a complaint letters or by telephone and also to login in MEPGRAMS Government of Meghalaya Portal in case if any malpractices, use of non-standard weights & measures by the traders and charging of price higher than marked price of any packaged goods; so that action could be taken up by the Department against the defaulters as per the provisions of the Legal Metrology Act & Rules.

2.9 **Arrangements and methods made for seeking public participation/contribution** –The Department, through the Enforcement Staff issue notices to the traders or through the Traditional Heads of localities/villages and the person incharge of Permanent / Weekly markets etc to disseminate the information to all the traders within their jurisdiction for bringing all their weights & measures, weighing & measuring instruments for getting them verified and re-verified periodically as prescribed under Rules 27 of the Legal Metrology (General) Rules, 2011 to ensure the accuracy and uniformity of all weights and measures used in any transaction or protection.

2.10 **Mechanism available for monitoring the service delivery and public grievance resolution** – The Department through the enforcement staff in the Inspectorate Offices undertaken frequent surprise inspections, seizures and raids in all trading centres, permanent/weekly markets and every business establishment in their respective jurisdiction to ensure that all weights and measures used in any commercial transaction or protection are duly verified and re-verified periodically as prescribed under the Rules. The Inspectors also address any grievances received in the form of complaint from the consumers.
