**Press Release No.91/19**

**Free Voice calling, free national and international roaming**

**Shillong, February 25<sup>th</sup>, 2019** : BSNL has announced to offer Free Voice Calling within India for existing BSNL Landline, Landline Broadband and Mobile customers. This offer is available on Wings service of BSNL.

Wings is a combination of voice over IP (VOIP) and landline service of BSNL. Under this service, a customer can make or receive calls using a BSNL Wings App on the mobile handset. Under this service there are no charges for national roaming. All incoming calls from India are free even while roaming internationally. When outside India, calling from Wings to India will cost only Rs. 1.25/- per minute.

To avail this service, only a click at website at [www.bsnl.co.in](http://www.bsnl.co.in) is required to start the process of registration (by clicking Book Wings). After receiving user name and password (PIN), user can download BSNL Wings app from Google Store, input user name and password and start making calls. The service is very useful, as a Wings user will never miss an incoming call in case he is hooked to Wi-Fi. Calls forwarded from any BSNL number to Wings number are totally free.
