**Mairang, 14<sup>th</sup> April, 2026:** The office of the Block Development Officer (BDO), Mairang C&RD Block, under the National Rural Livelihood Mission (NRLM), on 14<sup>th</sup> April launched two Bolero pickup vehicles procured under the AGEY scheme of the Government of India.

These two Bolero pickup vehicles were handed over to two community-based organizations, a Village Organization (VO) and a Cluster Level Federation (CLF) from Maroid and Dongki-Ingding as part of efforts to enhance livelihood opportunities in rural areas by facilitating transportation support to help farmers transport their agricultural produce to markets, as many are unable to do so due to high hiring costs and lack of vehicles.

Shri Metbah Lyngdoh, Hon'ble Minister in charge of Power and Water Resources flagged off these two vehicles as to mark the vehicle released.
