International Nurses Day celebrated at Ranikor Community Health Centre

Mawkyrwat, May 13, 2026: As part of the observance of International Nurses Day, celebrated every year on May 12 across the country and around the world, the nurses of South West Khasi Hills District organized a colorful and meaningful celebration at the Ranikor Community Health Centre.

On this special occasion, Dr. F.R. Lartang, District Medical and Health Officer (DM&HO), South West Khasi Hills District attended the programme as the chief guest. In his address, he highly appreciated the dedication, commitment, and tireless service rendered by nurses in safeguarding the health and well-being of the people.

The celebration programme was made lively and successful through the active participation of the nurses in songs, various games, and other entertainment activities. As a mark of respect to the pioneer of the nursing profession, Florence Nightingale, a candle-lighting ceremony was also held. This was followed by cake-cutting by the nurses as a symbol of joy, unity, and togetherness.

The programme was conducted by Smt. Wendy and Smt. Idanskhem. Smt. S. Marwein read from the Holy Bible, Smt. B. Kharlyngdoh delivered the welcome address, while Smt. Shimdorin Syiemlieh spoke on the theme of the day and highlighted the important role of nurses in society.

The observance of International Nurses Day served as an opportunity to express gratitude and appreciation for the invaluable service rendered by nurses, who work day and night in caring for and protecting human lives.
