### MCS Trainee Officers visits NGH: hold field visits

**Resubelpara, May 19, 2025:** As part of the field study tour of the Meghalaya Civil Service (MCS), the Trainee Officers of the Meghalaya Civil Service Batch 2025 today visited North Garo Hills District.

The scheduled visit of the two-day field attachments Programme in North Garo Hills slated from May 19th to 20th comprises of intensive studies of key office establishments and ground observation of public welfare schemes.

While welcoming the MCS officer trainees, North Garo Hills Deputy Commissioner, Dr. Abhishek Saini, IAS in the presence of the Additional Deputy Commissioners of the district gave an overview of the district's profile elaborating the establishments, demographic and geographical features.

Dr Abhishek Saini, IAS, DC in his introductory speech said field study tour fosters understanding of ground realities of various key functionaries and the importance of delivery public services to the people which are essential for formulating strategic policies in their career as civil servants.

Post briefing programme, the MCS Officer trainees inspected the Superintendent of Police office, Mendipathar Police Station and Mendipathar Women PS to grasp a scenario of the law and order of the district.

A visit to the Mendipathar Industrial Growth Centre and interaction with the officials of the Varun Beverages Pvt Ltd offers them an insight into the development and business opportunities of the district.

In the following day, the MCS Officer Trainees will also hold an in-depth analysis of MGNREGS, PMAYG and other central and state sponsored schemes besides interaction with the offices of District Soil & Water Conservation, Horticulture and the office of the District Medical & Health Officer in order to have first-hand knowledge of the government schemes and programmes.
